

HOW MANY PRINTS WILL I GET?

All our photo booths for hire come with unlimited prints i.e. as many as your guests can take within your hire period. The printer takes about 12 seconds to print a photograph.

WHAT IS THE PICTURE QUALITY LIKE?

All our pictures are very high quality and resolution being taken with a high quality dye sublimation (dye-sub) photographic printer that are used by photo processing companies the world over.

WHAT SIZE ARE THE PRINTS?

You can have a choice of sizes for your event. The photos can be a single 4"x6" photo or 4 individual photos printed on the 4"x6" photo-paper. Other photo sizes and layouts can be provided on special order.

WILL WE GET A COPY OF THE PHOTO'S AS WELL AS OUR GUESTS?

Yes - all of the pictures from your photo booth hire will be provided on a DVD and also be uploaded to Facebook and emailed directly from the Picture Box Photo Booth.

CAN THE PHOTOS BE UPLOADED TO OUR FACEBOOK PAGE?

Yes this can be done on special order otherwise they will be automatically be uploaded to our facebook page during your event. Enabling you to like and share as soon as they have processed. We can even send your photos to an album on a business "fan" page, if you have one that you would like to use.

CAN THE PHOTO BOOTH RECORD VIDEO?

Yes - all the booth rental packages come with the video option for you and your guests to record video messages in full HD. Unlike some booths on the market our software enables "unlimited" recording time, in comparison to others which only allow up to 15seconds. These are also provided on the DVD.

HOW DOES THE VIDEO MESSAGING WORK?

Each photo booth has a touch screen, your guests get to choose from several options, prints in colour, prints in black and white, prints in sepia, key rings and video message. The photo booth is fully automatic and will switch between the modes instantly so your guests can have their prints and leave you a video message whilst in the photo booth. We then make you a DVD movie in high definition to watch at home. We can disable the feature also if you do not require video messaging.

DOES THE PHOTO BOOTH COME WITH A TRAINED ATTENDANT?

Each photo booth will be provided by fully trained, smartly dressed booth attendants. The attendants will transport and set-up the booth at your venue and be on-hand next to the photo booth throughout your event to ensure you and your guests get the most value and enjoyment from your photo booth.

HOW DOES THE PHOTO ALBUM WORK?

We set the photo booth up to print 2 copies of each picture, 1 for your guests and 1 for your photo album. We encourage your guests to leave messages next to their pictures. We will ensure the book is completed to a high standard and we hand deliver it to you at the end of your photo booth hire in perfect order.

HOW LONG WILL WE BE ABLE TO USE THE PHOTO BOOTH?

You can use the photo booth for as long as you have booked it for. If you hire it for 3 hours, it will be constantly running for at least 3 hours. Don't worry we don't switch it off on the dot. We give you extra time if needed and additional hours can be arranged on the night but its always best to book ahead.

HOW LONG DOES IT TAKE TO SET THE PHOTO BOOTH UP?

When you hire the photo booth from Picture Box Photo Booths our attendants allow at least 1 hour for set up. Each venue is obviously different. It can be set within 30 minutes but we prefer to be a little early so we have plenty of time to meet, greet and discuss the best place.

WHAT SIZE IS THE PHOTO BOOTH?

Our photo booths are 2.3 meters long, 1.3 meters wide and 2 meters high. Please bare in mind that is the foot print of the photo booth so we do need a little more space to set it up.

CAN THE PHOTO BOOTH BE SET UP ANYWHERE?

Yes our photo booths will fit through all doorways, upstairs and downstairs. Basically all we require is to set up near a power supply & flat surface for the photo booth to stand on. Our photo booth isn't water proof so it does need to be indoor or under cover.

WHAT POWER SUPPLY DOES THE PHOTO BOOTH REQUIRE?

All our photo booths and photo pods require 240v. Tat's a normal 3 pin plug socket.

WHAT ARE THE IDLE HOURS?

Sometimes it is not always possible to set up or break down the photo booth directly before or after an event. For example, if you require the booth setting up at 6pm but do not want it running till 9pm, this would be a charge at 3 idle hours on top of the hire costs. Idle hours are generally charged at £20 per hour but please contact us for quote.

DO YOU CHARGE FOR DELIVERY?

When you hire a photo booth they are delivered and assembled FREE within the first 50mile radius of North Wales and the North West area as we are bases in Prestatyn. If you are outside of this area, please contact us as there may or may not be a small charge.

WHAT IS GREEN SCREEN?

Green screen is available in all our photo booth hire packages for FREE. The photo booth computer inserts a picture behind the subjects of the photo. This means that while the photo was taken in the booth it can look like it was taken in front of the Eiffel tower, under water, in the grand canyon or pretty much anywhere! This can be a different background in each of the four shots taken or the same in each. If you want to follow a specific theme of backgrounds then just let us know and we should be able to source a custom background theme for you. If you want to use the photo booth for advertising or corporate hire please contact us for a special quote.

ARE YOU INSURED?

Yes. As well as carting Public Liability insurance for all events our booths attend, each of the booths equipment is separately PAT tested for electrical safety and our photo booth attendants are fully CRB checked.

HOW DO I BOOK AND DO YOU NEED A DEPOSIT?

To book a photo booth. Full in the booking form with all the relevant details required for the booth. In the comments please add any additional information and the message you would like to appear on all your prints.
